WASHINGTON STATE UNIVERSITY

GRADUATE STUDIES IN MATHEMATICS and STATISTICS

Not a sprint!

WASHINGTON STATE UNIVERSITY

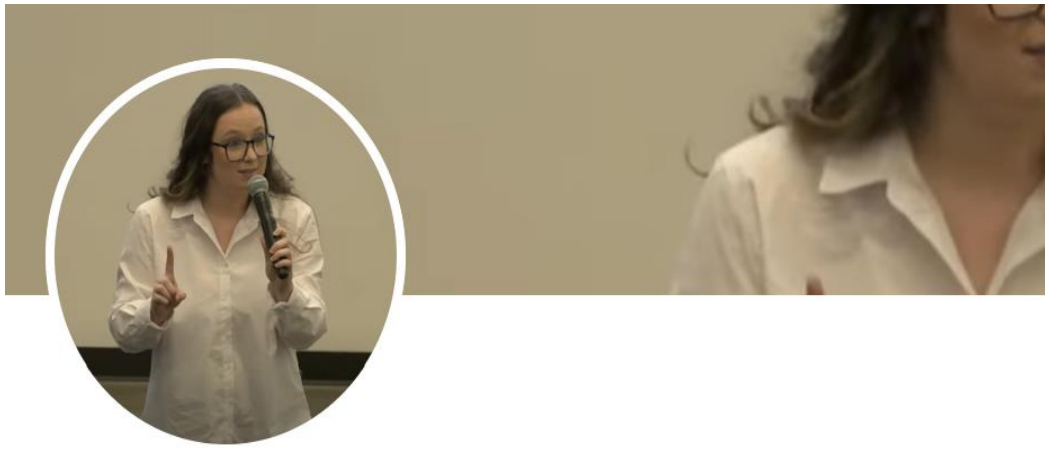

RECENT GRADS: WHERE ARE THEY NOW?

David Rice He/Him · 1st

Software Engineer, Schweitzer Engg Lab (SEL)

Stat PhD, BS from WWU

Elizabeth Thompson She/Her · 1st

Postdoctoral Researcher, George Mason U

Math PhD, BS from Linfield U.

WASHINGTON STATE UNIVERSITY

RECENT GRADS: WHERE ARE THEY NOW?

Enrique Alvarado He/Him · 1st

Asst. Prof, UTEP Math Dept

Math PhD, BS from Gonzaga U.

Damilola Olabode, PhD. · 1st

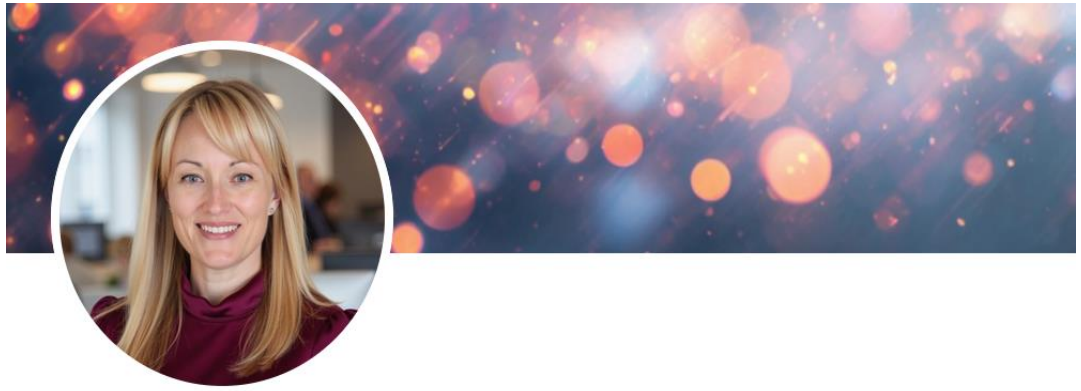

Clinical Pharmacologist & Pharmacometrician at AstraZeneca

Waltham, Massachusetts, United States

Math PhD, Stat MS; MA in Math from Minn. State U

WASHINGTON STATE UNIVERSITY

RECENT GRADS: WHERE ARE THEY NOW?

Elizabeth Milkovits, PhD · 1st

Senior Director, AI Engineering | AI Systems Architect & Technology Leader

Math PhD, BS from Linfield U.

Bonni Dichone She/Her · 1st

Associate Professor of Mathematics at Gonzaga University

Math PhD, BS from Eastern WA U.

WASHINGTON STATE UNIVERSITY

RECENT GRADS: WHERE ARE THEY NOW?

Andris Bibelnieks · 1st

Senior Data Scientist

Minneapolis, Minnesota, United States · Contact info

Stat MS, BS from Augsburg U. (MN)

Tyler Campbell He/Him · 1st

Software Engineer

Seattle, Washington, United States · Contact info

Math MS, BS from WSU

WASHINGTON STATE UNIVERSITY

RESEARCH STRENGTHS

- Applied Math
  - Math biology
  - Fluid mechanics
  - Optimization
  - Machine learning
- Theoretical Math
  - Linear algebra
  - Analysis, PDEs
  - Geometry, GMT
  - Algebraic topology
  - Number theory
  - Combinatorics
- Statistics
  - Bayesian inference
  - Biostatistics
  - Data analytics
  - Probability
  - Stochastic processes

WASHINGTON STATE UNIVERSITY

MS DEGREES

- MS in Mathematics
- MS in Mathematics - Applied Mathematics Option
- MS in Mathematics - Mathematics Teaching Option
- MS in Statistics

WASHINGTON STATE UNIVERSITY

MS DEGREES

- Typically takes 1.5–2 years
- Requirements:
  - Coursework
  - Final exam:
    - Math: project + presentation
    - Stat: project + presentation, or exam (GQE)

WASHINGTON STATE UNIVERSITY

PhD DEGREES

- PhD in Mathematics
- PhD in Mathematics - Applied Mathematics Option
- PhD in Statistical Science

WASHINGTON STATE UNIVERSITY

PhD DEGREES: REQUIREMENTS

- Typically takes 3.5–5 years
- Coursework
- Graduate Qualifying Exam (GQE)
- Find Advisor(s) + Committee
- Doctoral Qualifying Exam (DQE)
- PDE (Preliminary Doctoral Exam)
- Final Doctoral Exam (Defense)

NUMBERS (FALL 2026)

	Math	Stat	Total
PhD	47	16	63
MS	7	12	19
Total	54	28	82

- 47 Dept ASEs, 5 other funding (WSU, PNNL, WADEPS RAs,…)
- 8 Stat MS students from other depts

WASHINGTON STATE UNIVERSITY

STRENGTHEN JOB PORTFOLIO

- Take variety of classes (Stat, AI/ML, Applied/Computational,…)
- Teaching College Certificate, MS/Minor in Statistics
- Instruct a variety of classes
- Internships/Programs (National labs, NSF Institutes)
  - PNNL, AFRL, ORNL, ANL,…
- Summer Schools/Workshops, Conferences (attend+present)
- Leadership roles (GPSA, AMS, ASA, …)
- Transferable problem-solving skills

WASHINGTON STATE UNIVERSITY

POINTS TO NOTE

- We recruit students as a Department
- Contact faculty with matching research interests
- Contact current students
- Talk to me (or email me at kbala@wsu.edu)!

- **Application deadline: December 10, 2026 (for Fall 2027)**
